Please describe below any special circumstances you would like the Financial Aid Committee to consider. Please note whether these circumstances are temporary.

2020-21 Blackhills FC Financial Aid process

Blackhills FC awards aid based on financial need to assist families of players who would not otherwise be able to play club soccer. The amount the club has available to award each year depends on a financial aid budget that is determined by fundraising. This is not an athletic scholarship. Considerations for financial aid include household income, household size, and extreme family circumstances that impact ability to pay. Income guidelines used to determine financial aid include the College State Needs Grant and free and reduced lunch guidelines (USDA Child Nutrition Program Income Guidelines). Special family circumstances are considered *in combination with financial need* in determining the amount of the award. Financial aid does not include uniforms or registration fees.

BFC financial aid processes and criteria change every year. Prior awards and criteria do not apply.

If you are granted financial aid, you are responsible for the remaining balance based on an adjusted payment schedule that will be generated following award.

1. Complete all sections of the financial aid application. The application can be downloaded <http://www.blackhillsfc.org/about-us/financial-aid> or requested by e-mail at financialaid@blackhillsfc.org. Please complete all sections of the application form. Incomplete applications will cause delay in award. Describe any extreme circumstances that should be considered. Additional information may be requested.

2. Submit your application to Blackhills FC Financial Aid Committee via e-mail: financialaid@blackhillsfc.org

APPLICATION DEADLINES (2020-2021 Season): June 15, 2020 OR 30 DAYS FOLLOWING TRYOUTS. High School boys' applications are due in April following their tryouts in February. In order to be considered for financial aid, you must submit your application by these deadlines. Send questions about Financial Aid process to: financialaid@blackhillsfc.org.

3. Applications are processed and reviewed by the BFC Financial Aid committee after the deadline. Families will be notified by e-mail as to whether they will receive an award in the form of a tuition discount. Awards are typically between 30% and 50% of total annual tuition. Total number of awards depends on availability of funds, which changes every year.
